

Emotion Analysis and Generation

Birds of a Feather Session

EACL 2026

Lynn Greschner and Roman Klinger

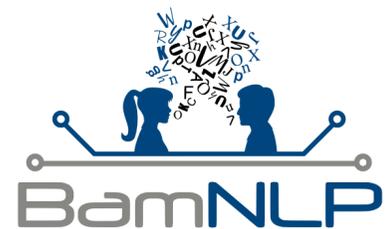

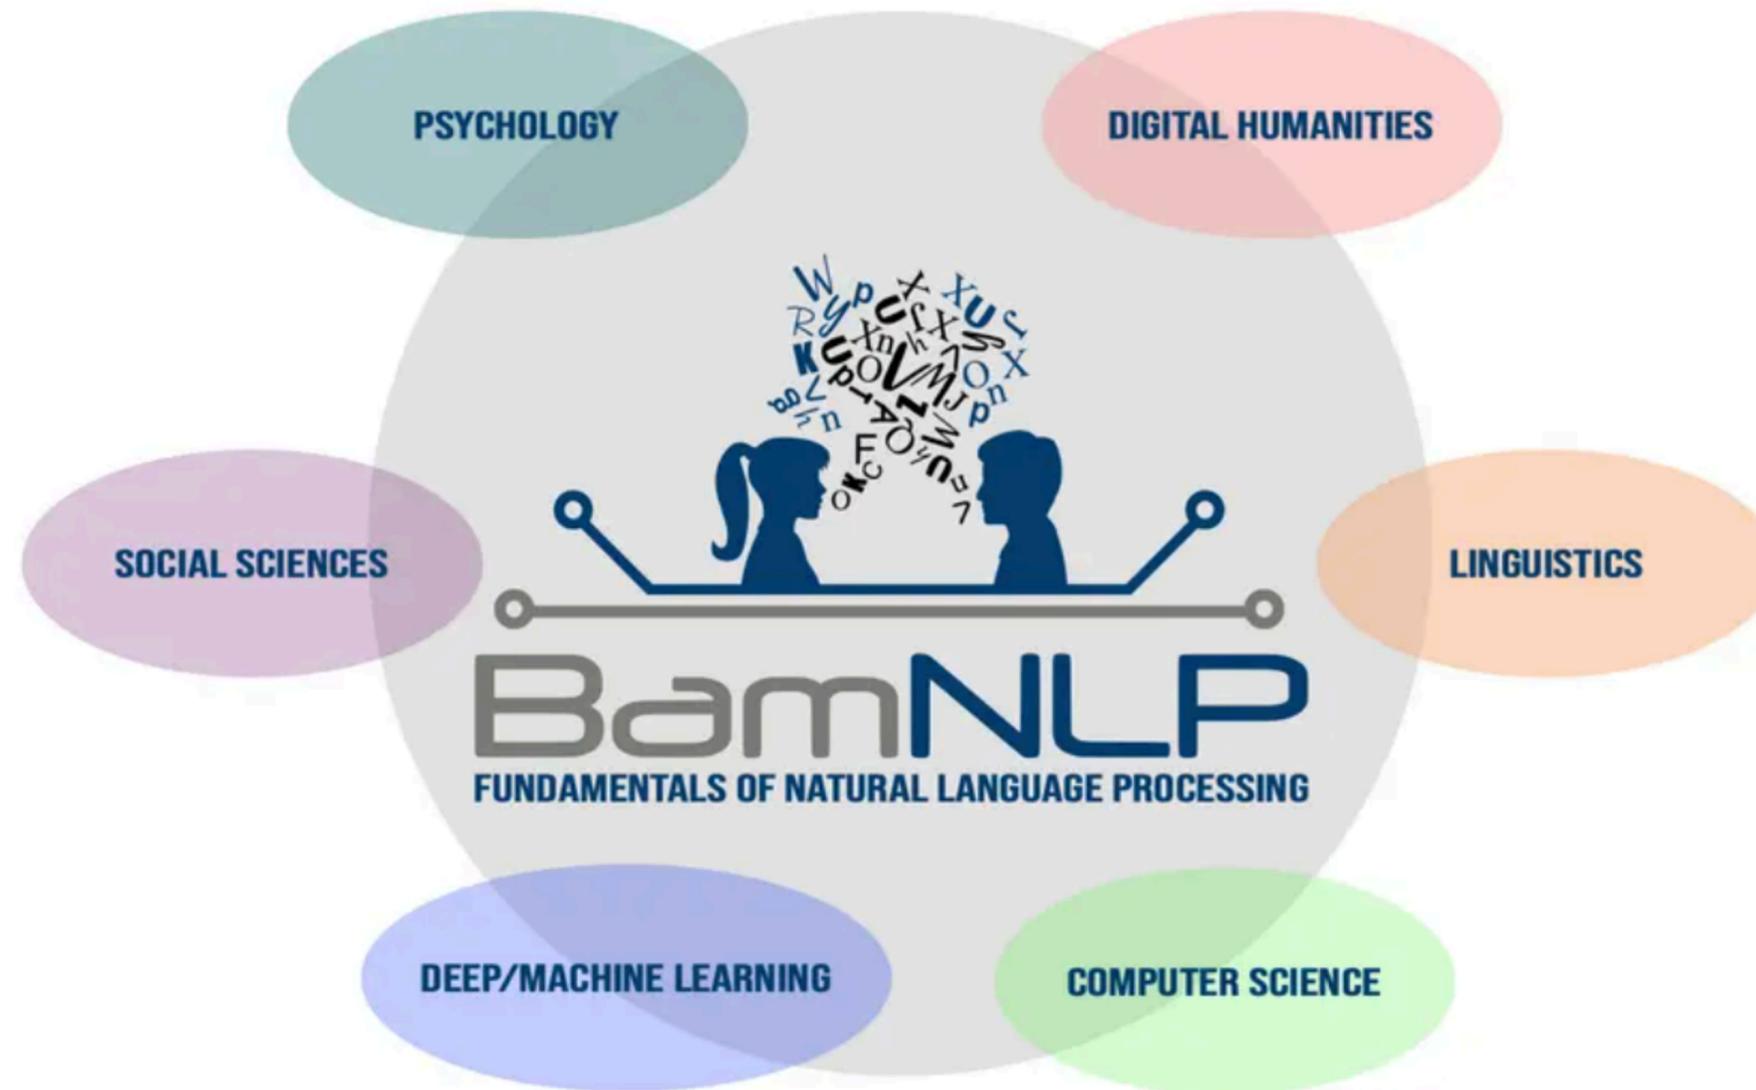

Lynn Greschner, Roman Klinger

March 25, 2026

Who are we?

What are we working on?

Why are we here today?

Target group:

- Junior and senior researchers
- Researchers with experience in emotion analysis and novices

Goals:

Get to know:

- other people in the field
- other topics and challenges
- people working on similar topics

Today's Schedule

- Introduction
- Short talk by Roman Klinger
- Participant introductions
- Discussion

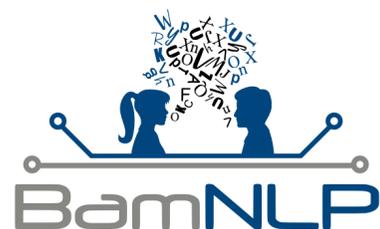

Let's get active :)

1. Go to <https://tinyurl.com/2a8tts4y> and copy and paste the template slide, then fill with your name, affiliation, main research area and main challenge in your research

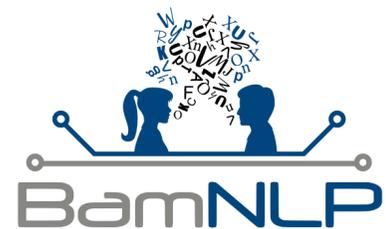

2. Go to <https://tinyurl.com/4z8zfsxh> and copy paste the main challenge in your research

Main Research Challenges

Automatic Clustering Results

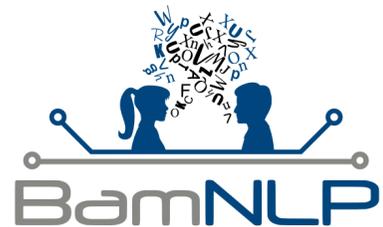

Thank you for participating!

The slides from today are available here: <https://romanklinger.de/BoF>

If you do not wish your slide to be included in the deck, please contact us (either here or via mail: lynn.greschner@uni-bamberg.de)
